

CLASS DAY EXERCISES AT THE NORMAL SCHOOL.

The Attendance Was Very
Large and Programme
Enjoyable.

NO ASPERITY IN THE ADDRESSES.

Class day exercises were held last night by the State Normal School in the State Schools auditorium. The room was decorated with potted plants and cut flowers, and the class colors were in evidence. There was a very large audience, which greatly enjoyed the programme.

Those Who Participated.

The address of welcome was made by Miss Edith F. Patterson, and the class history by Misses Florence Davidson and Gertrude Smashey. The class prophecy was by Miss Nellie R. Woodward, and the mementos were distributed by Misses A. Eliza Parker and Minnie Brokaw. The address to the undergraduates was made by Miss Nellie D. Maxfield. The auction was conducted by Miss Helen Harris, and the class will was by Miss E. Jeanette Palmer.

The exercises were interspersed with music. The address to the undergraduates was marked, as well as the reply to it, by an absence of asperity. This is the result of Dr. Green's efforts.

The graduating exercises will take place in the auditorium to-night.
